

## Deceitful Passions

Everything that looks good aint always good for you. A lesson well learned by Vito. A young, black entrepreneur, who always want to have his cake and eat it too. This time the icing isnt so sweet. Forgetting the fact that he is married, he indulges in what he considers the good life, extra marital affairs. Camille, his latest slice of cake, just cant seem to get enough of Vito or his best friend, Seth. Either way it goes, shes determined to have her cake and eat it too, as well. Vito allows himself to get caught up in a web of lust, lies and passion. He finds himself going on an unforgettable journey. He just hopes he lives through it.
