

My Light (No More Secrets) (Volume 1)

Ella loved Braden for the year theyd been together, shed missed him for the eleven months hed been gone. She had to admit that her reaction upon seeing him again proved she wouldnt stop loving him anytime soon. Braden left Ella for many reasons, but not the ones she thought he had, especially not the lie hed told her to keep her safe. Would she ever believe him after the way hed hurt her? When the truth is revealed, will they embrace their second chance? Or is it too late to reclaim the light theyd found in each other?
