

## Sun Lake

Sun Lake is a story of two families that live on adjacent ranches. It is also a story of Mark and Marty, two young men seriously wounded in combat and the mental challenges that caused. Sun Lake follows the lives of their families and of their life long friendship. Sun Lake will bring a smile to your face and tears to your eyes. There is humor as well as serious and life threatening incidents in the story. He looked up with tear filled eyes and a pained look and told them, I just cant leave her out here alone! He was jealous that Misty was getting the attention he wanted from Carla. Looking angrily at him she said, My mom hasnt been dead very long and already you are about to replace her with that gold digger. Well, guess maybe this is where you should spank me that is if you think youre man enough! With a gun and liquid courage, he might just go on into the headhunters village and, as he put it, Scare the hell out of them! Passengers and crew were thrown into the raging, rocky hell that was the Orinoco River there.
