

## The Alpha Witch (A Witch Wolf/Romance): Book Two

After the shocking events of the last book, Nats newfound family is shaken to core and so is her belief in Theo. Could he have done this? Was their connection all a ploy to get close to her and strike at her family from the inside? Natalia ventures into the Milgrette Casino the seat of power for Theos pack and the heart of enemy territory for a Petrova witch, to find the answers. But when Nat comes face to face with Theos enigmatic brother Carlton, it might be another werewolf that starts infiltrating her dreams. Its witch vs. wolf, brother vs. brother, and desire vs. duty as Nat tries to find her way in this new and dangerous world. The Alpha Witch Book 2 is twice the magic, twice the romance, and twice the action. Prepare to be seduced all over again...
