

The Direct Path to Enlightenment

For the genuine spiritual seeker: This book deals with the theory and practice of enlightenment. Real enlightenment is a matter of using the right technique. It is independent from religion and belief. The enlightenment training guide is derived from more than 16 years of spiritual studies and practice. Table of contents: Human Evolution / Nature of God / Human nature / Process of enlightenment / The different kinds of enlightenment / The practice enlightenment / The effects of the training / Balancing meditations / Spiritual development in general/ And much more
