

Psalm of My Heart: Who We Are In Christ

A short, passionate psalm of one Christians personal faith. A deeply personal and widely allusive statement of faith...a collection of assertions of [Phelps] certainty in the power of God and the mercy of Jesus Christ... Her work [is] an exercise in compositional inspiration...grounded in years of textual study... [Phelps] lays out a detailed chart of the textual influences on her work...The quotes are sometimes-extensive, and the chart itself is a fascinating work of reference; its similar to those found in some Bible concordances but superior to most of them in its quote-selection skill. Bible-study groups may get through the psalm itself fairly quickly, but the chart will give them hours of fruitful work. An annotated innovation on the psalms of King David.
