

## Safe Harbour - An Accent Amour Romance

A British romance by Cara Cooper. Cassandra Waverley is thrilled with her beautiful harbourside restaurant. She's escaped a stressful job in the city and a personal meltdown which haunts her still. Just when she is relishing her seaside haven, dark, brooding Adam Hawthorne turns up, taking an unhealthy interest in her property and turning her world upside down. He's a serious threat, both to her business and to her heart. The more she learns about him the more she realises he's a man with mysteries in his own past. Throw in a wayward younger sister and a rescue kitten who needs a home and Cassandra has her work cut out for her. Will she ever find a safe harbour, and a love that will endure?
