

Ethical Theory: 2-Part Volume: Part 1: The Question of Objectivity; Part 2: Theories About How We Should Live (Oxford Readings in Philosophy) (Vol 1 & 2)

Rachels's two-volume Ethical Theory provides a comprehensive overview of contemporary moral philosophy, reprinting classic and contemporary articles, including many that are not otherwise readily available. Each volume contains a clearly written, substantial introduction that guides the beginner through the intricacies of the subject.
