

Questions on the Metaphysics of Aristotle by John Duns Scotus (Text Series, Number 19, Volume 2)

An English translation of the Latin critical edition of B. Ioannis Duns Scoti: Quaestiones supr libros Metaphysicorum Aristotelis, Libri I-IX, volumes III and IV of Scotuss Opera Philosophica. The Latin critical edition contains all of the information pertaining to the critical apparatus, complete notations, and indices. This English translation follows the paragraph numbers found in the Latin text. The footnote references have been simplified, however, and the extensive background material found in the critical edition is not included. The translators have provided an introduction to the translation which provides helpful background material. Volume I covers books one through five; Volume II covers books six through nine.
