

Breaking Free (Harlequin Romance series, No. 2802)

You mean chickens come with the farm! Melissa had just bought property for the first time in her life, and was delighted to discover a poultry contract was part of the bargain. To a city girl from Tulsa it seemed the perfect touch to a pleasant summer in the Arkansas countryside. But Dave Winston, the devastatingly handsome owner of Clear Creek Farms, didn't see things the same way at all. He saw a fashionably dressed trim figure, moss green eyes and trouble. His refusal to take her seriously awakened to a new determination in Melissa: suddenly, she had to prove to him, to herself and to the world that Melissa Talbot could take charge of her own life! This is from the back cover of the book.
