

Reading Walzer

Michael Walzer is one of the worlds leading philosophers and political theorists. In addition to his best-known books such as *Spheres of Justice*, and *Just and Unjust Wars*, he has contributed to contemporary political debates beyond academia in the *New York Times*, the *New Yorker* and *Dissent*. *Reading Walzer* is the first book to assess the full range of Walzers work. An outstanding team of international contributors consider the following topics in relation to Walzers work: the moral standing of nation states individual responsibility and laws governing the conduct of war debates over intervention and non-intervention human and minority rights moral and cultural pluralism equality justice Walzers radicalism and role as a critic. All chapters have been specially commissioned for this collection, and Walzers responses to his critics makes *Reading Walzer* essential reading for students of political philosophy and political theory.
