

## The Bedford Boys

The Bedford Boys is the astonishing true story of 21 young men who were killed during the first horrifying minutes of D-Day and the friends and families they left behind in the small town of Bedford. Twenty-one sons killed - no other town in America suffered a greater loss in one day. It is an unforgettable story of triumph, courage, and tragedy based on extensive interviews with survivors and relatives as well as diaries and letters. Alex Kershaw's remarkable book brings to vivid, heartbreaking life the hitherto untold story of one small American town, their sons, and the brutal, bloody war that deprived them of their futures.
