ROMANCE (FREE Bonus Included) The Billionaires Contest (Romance, Contemporary, Taboo, Billionaire) For Anna, thinking about guys wasn't really her style. She normally was too busy with work, and being a poor college student didn't help with this either. But one day, her best friend dragged her to a party. Of course things didn't go the way they planned when her best friend ran off, leaving her alone. Anna thinks that this is the worst thing that could happen to her, but it soon becomes the best. She meets Travis, an attractive billionaire that is holding a contest, and Anna decides to join in on it, even though she doesn't have the money or beauty to compete with these other girls, but what she doesn't realize, is that her inner beauty, and his past, are what allow her to have a future with this man. On a fluke win, she ends up being with this man. Travis isn't like other guys, he's a hot billionaire but one that has his head down to earth and not in the clouds. But there is a secret that he wants to tell her, something that made her wonder. The two of them share more than just a fluke win, but a past as well. Will he reveal the truth of their connection? Or will it be buried in the past? Getting Your FREE Bonus Read this book, and find BONUS: Your FREE Gift chapter at the end. WARNING: This ebook contains mature themes and language.
