

Living Sacrifice

Jason Foster has been cursed. He is bound, body and soul, to victims of demonic sacrifice. Saving one innocent only to be bound to the next. Sharing the next victims every bruise, every cut, every intrusion in his own body, Jason survives in a state of near continuous threat of death until he and his brother, Silas, can stop the ritual and end another demonic priest. But something has changed . . . The dark priests are beginning to take notice of the Foster brothers. The demons themselves are taking notice. In their desperation, they seek out the Elder, a Christian pastor who speaks to God; the same man that put this curse on Jason. Join them as they travel through a world that embraces the demonic seeking to save another life and break the curse or find they have lost Jason to depths of Hell.
