

The SAGE Handbook of Political Geography

The SAGE Handbook of Political Geography provides students of the sub-discipline with a highly contextualized and systematic overview of the latest thinking and research. Edited by key scholars, with international contributions from acknowledged authorities on the relevant research, The SAGE Handbook of Political Geography is divided into six sections: Scope and Development of Political Geography; Geographies of the State; Participation and Representation; Political Geographies of Difference; Geography, Policy, and Governance; and Global Political Geographies.
