

Sarah, A Transgender Tale

A note containing a telephone number is dropped onto a book. Innocent accident or something more sinister? Katya daughter of a Russian defector, the beautiful, femme fatale, loved by all, friend to no-one. Liam, a thug working for a gangland boss. A psychopathic underdog with a huge inferiority complex. Michael, a callow naive twenty three year old boy who comes to London for a job. Somehow their worlds collide. Tragedy and despair however have their counterpoise in hope and redemption through love.
