

In the Best Possible Light

In a world of glamour magazines and movie star obsession, Beneth Jones shows Christian women how to present themselves In the Best Possible Light. Militant feminism has blurred lines between sexes and obscured Gods perspective on femininity as defined and approved by the Scriptures. Jones delves into femininitys externals and internals with insight and wit, addressing physical care, dress, health and etiquette, as well as the importance of Godly character, thinking, and carriage. A refreshing book for adults, and an invaluable manual for teens, In the Best Possible Light, offers an exciting and thought provoking look at Gods beautiful plan for His daughters.
