

## His Tender Touch (Silhouette Intimate Moments)

IN THE ARMS OF HER PROTECTOR? Audrey Sussman never imagined a routine audit at her boss's ranch would turn her into a fugitive, hiding out in New Mexico's desert canyons with a handsome stranger. Burnt-out cop Gray Murdoch insisted he was the one person she couldn't trust, yet whenever he touched her, she heard her heart whisper otherwise. Gray knew the last thing he needed was a woman like Audrey—beautiful, and in desperate danger. But his code of honor demanded that he cast his troubled past aside until he could deliver Audrey to safety. Still, he couldn't deny the passion that drew them together, nor the fact that Audrey's innocent faith made him feel alive and once more able to love.
