

## Seeking Single Male

NOTE: This book was originally published in 2000. SINGLE FEMALE SEEKING SINGLE MALE FOR GOOD TIME...When lawyer Greg Healey answered a singles ad for his brother, he never expected to fall head over heels in love with the woman himself! Only, sexy, sassy Lana Martina hadn't placed that particular ad--in fact she seemed to think he was gay! So what else could Greg do but prove to her that she was his type? Coffee shop owner Lana had advertised for a roommate, not a lover. Although once she met Greg, the latter definitely had some possibilities...until she discovered he was her landlord! Greg planned to sell the property before the holidays. Lana intended to change his mind. And Greg had no idea just how convincing Lana planned to be....
