A small group study guide, to accompany the original book. Filled with discussion questions, quizzes, and more, to help readers work through the great material in Kent Crockett's easy-to-read book. Twenty chapters include: - Hopelessness - Fear - Discontentment - Doubt - Self Image - Jealousy - Impatience - . . . and more. Praise for the original book: Kent Crockett has written an easy to read, conversational book that provides solid, biblical based answers to life's problems. The author has an easy to read style that intersperses personal stories and experiences he has observed over his long career as a pastor along with biblical references that accurately pinpoint how God wants us to hurdle these problems. Pastor Crockett has a tender heart for pastoral care of his flock and it's brilliantly evident in his latest book. --Online Reviewer I have been impressed with the author's ability to identify and simplify the solutions to twenty common obstacles many of us face in finding the life God has planned for us. Those seeking a more useful and fulfilling life should find Slaying Your Giants, a valuable tool and a real blessing. --Online Reviewer
