

## Snowfall on Haven Point (Haven Point Series, Book 5)

Its been two rough years since Andrea Montgomery lost her husband, and all she wants is for her children to enjoy their first Christmas in Haven Point. But then Andies friend asks a favor -- to keep an eye on her brother, Sheriff Marshall Bailey, whos recovering from a hit and run. Andie will do anything for Wyn, even park her own misgivings to check on her grouchy, wounded bear of a brother. Marshall hates feeling defenseless and resents the protective impulses that Andie brings out in him. But when a blizzard forces them together for the holidays, something in Marshall begins to thaw. If only he and Andie can admit what they really want, their Christmas wishes might come true after all.
