

## History Charles the Bold, Duke of Burgundy, Vol. 3 (Classic Reprint)

Rigi have watched successive groups of giant Alps rise out of the night, and receive on their icy brows warm kisses from the radiant dawn, the eye turns in quest of further marvels to the opposite quarter of the panorama, across table-lands and plains dotted with towns and lakes, and bounded by the distant chain of the Jura. But there the horizon offers none of the grand and entrancing aspects of a mountain range. That long, straight, dusky line, with no variety of form or play of color, belongs not to the picture, but to the frame. If we transfer our point of view to the Lake of VOL. III.
