

Stellar Signs

Indias First Astro-Detective Series Join Sonia Samarth and her Stellar Investigations Detective Agency, as they confront a rash of baffling misdeeds plaguing the city of Pune and solve them as only they can, with a unique combination of traditional Indian wisdom, modern-day detection and ancient astrology. After a slow start to the new year, Sonia Samarths crime-solving services are in high demand. There is the bride whose arranged marriage may include murderous in-laws, the theatrical team whose death scene was no act, and the deceptively happy couple whose stars foretell domestic danger. Good thing Sonia has her opinionated assistant Jatin to help, except that even he may be caught up in the unlawful fray. Fortunately, it takes more than a few misguided souls, not to mention a preposterous proposal from the worlds most notorious diamond thief, to rattle this yoga-practicing, astrologically inspired sleuth. MANJIRI PRABHU lives in Pune, India. She has been a filmmaker and television producer for several years and a writer of romances, mystery novels and a non-fiction book on Hindi films. Her book The Cosmic Clues has been optioned to be made into a movie
