

## Mutual Spark Tetralogy Bundle

When you meet someone over the internet, you never know what you'll get in person...

Bored college jock Brad is in dire need of adventure. Hiding in the closet from his fraternity roommate Alex, Brad resigns to find pleasure through the use of online apps like Grindr. The app puts him in contact with alpha male billionaire Tom, who has a mysterious past he keeps secret from the boy. Over the course of 4 full length stories, their relationship develops, taking twists and turns at each chapter while Brad discovers more about his master. As the lives of the two men grow closer together, their feelings grow more complicated. For Tom is a harsh but loving master, and Brad is more than willing to be his slave... This bundle includes all four stories in the original series. They have themes of Billionaires, Alpha Males, Light BDSM play, CBT, and Electrostimulation.
