

Still Standing: 90 Days of Wisdom for Moms of Addicts

In 2004, my eighteen-year-old daughter was shot by her ex-boyfriend. Over the next decade, Jordan's life would spin further out of control and as a result, mine spiraled into darkness. I would face the heartbreaking reality that my daughter is a heroin addict and the painful truth that I am powerless to save Jordan from her drug addiction. My own Codependent Enabler nearly took me down, but thankfully I found a way to Stand Up and Fight. In the Award-Winning book, Still Standing After All the Tears: Putting Back the Pieces After All Hell Breaks Loose, and Still Standing After All the Tears Workbook, I introduced the Nine Actions to Battle Your Beast - the action steps to help anyone battling any type of Beast, to pick up the pieces after all hell has broken loose. Still Standing: Wisdom for Moms of Addicts contains 90 quotes and words of wisdom, providing further guidance and encouragement, specifically for moms of addicts. Life as the mother of an addict is terrifying, heartbreaking, and lonely. Let me remind you: Moms of addicts, you are not alone; we are in this together. Drug addiction is a lifelong disease, and therefore, for moms of addicts, a lifelong battle to put the pieces of their shattered hearts back together, and to keep it together. As the mom of an addict, you can get your life back, even while your child is still lost in the belly of their Beast. Moms of addicts - Stand Up and Fight. I am standing with you.
