

A Cop in Her Stocking

Tyler Davis comes from a long line of cops, and he's learned the hard way that police work and families don't mix. But his solitary life is about to be called into question with the return of Megan Garvey, the woman he once loved and lost. Now, Megan is determined to keep her emotional distance though it's clear that she and the rugged lawman still share something special. But a predator has come to Lake Hubbard for Christmas. And when Megan's young son disappears, there's only one cop to believe in. This holiday, Ty has been given a second chance to be the hero Megan needs if he can bring her boy home alive.
