

Stud Finders Incorporated

Wanted -- An Orgasm... and the chance to fulfill all her sexual fantasies. Madison believes shes frigid. Her ex told her so and maybe its true, because theres one thing shes never experienced. An orgasm! Now she wants it all. So when her mother rings Stud Finders Incorporated and hires a stud for her to practice on, why look a gift horse in the mouth? Jakes ex-lover said he was boring, both in bed and out. So when sexy Madison asks him to teach her to have an orgasm, he jumps at the chance to prove his manhood. Even if it means hiding the fact that the purpose of Stud Finders Incorporated is to find the studs behind the wallboards of a building so the owner can safely hang his paintings. Warning: This book contains hot, explicit sex explained in graphic, contemporary language.
