

## Lakeshore Christmas (The Lakeshore Chronicles Series)

Maureen Davenport finally gets to direct Avalons annual holiday pageant, and shes determined to make it truly spectacular. But former child star Eddie Haven is turning out to be a tattooed lump of coal in her stocking. Eddie cant stand Christmas, but a judges court order has landed him right in the middle of the merrymaking. He and Maureen spar over every detail of the pagaeant, from casting troubled kids to Eddies original--and distinctly untraditional--music. Is he sabotaging the performance to spite her, or is she forcing the show into her storybook-perfect notion of Christmas? And is it possible that theyre falling in love?
