

## You Did What?! A Reality Check on Human Resources Practices

You Did What?! is a compilation of scenarios that Human Resource professionals are required to address on a regular basis and, therefore, provides an excellent resource for training and discussion. HR professionals are required to consistently provide durable solutions that balance the interests of all parties. The scenarios in this book will help develop your analytical skills to accomplish that task. This casebook can be used in schools, in businesses, and by individuals. It applies equally to unionized and non-unionized settings.
