

Taking on Twins (Fatherhood)

If there's one thing Corinne Sweetwater dislikes, it's chaos. As kitchen manager at her family's Bear Creek Ranch, the ex-warrant officer faces a different kind of challenge. Professional fisherman Greg Pfitzer and his mischievous cherubs seem intent on ignoring all her rules and turning her well-ordered world topsy-turvy. Suddenly discovering his father to a pair of rambunctious twins is a challenge for any man. Maybe the Arizona guest ranch is the ideal place for Greg to do some serious bonding with his son and daughter. The laid-back single dad and by-the-book chef have differing views on just about everything. Still, the attraction sparking between Greg and Corinne can't be ignored. Is it strong enough to lead to a true meeting of hearts and minds?
