

The Touch (Healer Series Book 1)

AJ McCallister can cure any illness with a single touch. Sometimes, however, the laws of his secret world forbid it - and sometimes good people must die. In a search for normalcy, the Healer finds more than a new home down south in Lee as the hard to resist Addie steals his heart. He faces a momentous decision between abiding by his ancient clans laws and upholding history, or allowing an enemy to kill Addie and her daughter. With either choice he will end up alone. AJ must decide which is harder: living next to Addie without her love, or not having her around at all? The second book in the Healer series, The Vengeance, is now available at [tp://amzn.com/B00ENMOASI](http://amzn.com/B00ENMOASI).
