

That Night We Made Baby (American Romance, 826)

Finally she turned and Nicholas saw Samanthas face. Her eyes were as he remembered, he hair just as soft. The months theyd spent apart fell away and Nicholas ached to touch this woman he could no longer claim as his ownbut had never stopped longing for. As his gaze met hers, Samanthas expression became shuttered. And as he glanced down her body, he realized why. This woman who had haunted his dreams was visibly pregnant. Suddenly Nicholass thoughts turned away from longing to a desperate need to know. Whose child did she now carry? And had some of his hazy dreams been truehad there been a night they made baby?
