

That Loving Touch (Harlequin Desire)

ONE WINTER NIGHT She was pregnant and he offered shelter from the darkest of nights. In the midst of a snowstorm expectant mother Carrie Loving found herself on the doorstep of CEO Sam Holt. And although Same seemed too good to be true, his offered warmth was guarded, hiding a hurt behind deep blue eyes. As the hours turned into days, Carrie and Sam forged a bond that could not be broken. And Sam could no longer deny the strong feelings Carrie and her unborn child awakened in him. But when the snow melted, Sam had to decide whether he should relinquish the solace Carrie promised or risk tearing down the fortress he'd built around his heart.
