

The Church Does Not Exist: (but something better does!)

While the number of people attending Churches is decreasing, the number of people seeking a closer relationship with God is increasing. It is time to look past the organized Church and get back to Gods inestimably better plan. And Gods plan does not include Churches, at least as most people think of them. Its past time to scrape off centuries of paint and custom to see Gods ultimate creation, the ekklesia. The Church Does Not Exist can help individual Christians and Gods Kingdom to grow beyond root choking institutions known as Churches.
