

The Demetrios Virgin

An Entertainment Weekly Top 10 Romance Author The virgin fiancée Andreas Latimer needed a fiancée to present to his Greek grandfather and he'd decided on Saskia Rodgers. After all, he'd gained the impression she was a woman of the world. Surely she would have no problem with a little play-acting. Saskia knew her new boss thought she was some kind of practiced seductress but this was going too far! They were sharing a room in his family's villa sharing a bed! and she still hadn't told him she was a virgin.
