

## Frontier Love (Alaskan Frontier Romance)

The complete Alaskan Frontier Romance series in one edition... includes *Waters Edge*, *Sky High*, and *Mountain Pass*.

*Waters Edge* Nora had a comfortable home and a successful fiancé, but her seemingly ideal life felt more like a prison than a fairy tale. So when Nora inherited her late uncle's home in a small southeast Alaskan town, she left behind everything she'd ever known in search of something better. Tucked away from the rest of the world, in a land where one false step can mean the difference between life and death, Nora must learn how to rely on herself for survival... and to open her heart to new possibilities. *Sky High* Mason never wanted to leave the town of Heron or the girl he loved, but he had no choice in the matter. He was still a teenager when his family moved away from the small bush community and resettled in Anchorage, destroying his hopes for a future with Lily. It's been ten years since Mason left Lily crying on the shores of their secret cove, and now fate has given them a second chance... if only Lily can let go of the past and learn to trust him again. *Mountain Pass* Madeline left Heron and her family years ago when the isolation and the dangers of life in the bush became more than she could handle. Now, her work has brought her back to the town she once called home... and to the man she never stopped loving. All these years, he's been waiting for her to come home to him, even though Samuel knows their past will be difficult to overcome. If they want to make it work this time, they'll need to find some middle ground.
