

# The God Port: Accessing God in Real Time

The God Port is a journey in learning how to hear Gods voice and a desire to help others do the same. People now more than ever need to be seeking Gods direction and revelation for their lives. God is shaking the foundations of the earth to gain His childrens attention and focus. As the economic climate continues to shift causing fear and discomfort in the lives of the believer and the non-believer many will seek God for answers. Will you be the Salt and Light you are called to be, step into your calling and election and bring Honor and Glory to God? Will you connect to The God Port?
