

THE COMPLIMENT MUSEUM: Moving From Insults To Compliments (Healing Fables)

You may have already read this fable under my other publishing name, Victoria Holob. the fable itself is the same, although the cover and some internal information have updated. This enjoyable trance-like healing fable may help you to stop insulting yourself--and to stop you from collecting, in your mind, insults that other people have given you--like unwanted gifts. Read it out loud to yourself--to your inner child. enjoy it for at least 21 days in a row--then anytime. it is about 1,000 words long.
