

The Mighty Quinns: Dex

Just the right touch With her career on the line, Marlie Jenner is determined to make a top-notch documentary about beloved Irish author Aileen Quinn. Which means she needs a top-notch filmmaker; she needs Dex Kennedy. Dex is talented, well respected and Irish. Hes also hotter than hell. And when they meet, he looks as if he wants to eat Marlie right up. Marlie does look delicious, but after a fatal accident during the shooting of his last documentary, Dex refuses to work on another film. Marlie has some very persuasive techniques, however, and after one seductive, drugging kiss, Dex is hooked on the film, on Marlie, on the prospect of living again. But every documentary takes on a life of its own. And this one promises an ending that none of them could ever have anticipated.
