

Royal Wedding: A Princess Diaries Novel (The Princess Diaries) (Princess Diaries (Audio))

Mia's gorgeous longtime boyfriend Michael managed to clear both their schedules just long enough for an exotic (and very private) Caribbean island interlude where he popped the question! Of course Mia didn't need to consult her diary to know that her answer was a royal oui. But now Mia has a scandal of majestic proportions to contend with. Her grandmother has leaked fake wedding plans to the press that could cause even normally calm Michael to become a runaway groom. Worse, a scheming politico is trying to force Mia's father from the throne. Can Mia prove to everyone-- especially herself-- that she's not only ready to wed, but ready to rule as well?
