

The Right Temptation (Latin Heat Trilogy Book 2)

Kayla Martinez has recently landed an RN position at a prestigious hospital in her hometown. The new job is everything she's hoped for, especially when one hot specimen shows up in the ER. She hasn't seen her childhood crush in years, and considering how much hotter he's gotten over time, she almost ends up needing resuscitation. The last thing Nico LaCosta needs is a broken arm. Now his pals' kid sister wants to soothe his pain, but he'd rather keep his distance so her big brother doesn't break his other arm. Kayla's no child anymore, though. She's one hot-blooded woman, determined to remind him of a mind-blowing kiss back when they were teenagers. Leave it to Kayla to drop by his house unannounced and play Nurse Seductive. A guy has to follow the buddy code, or face the consequences. Still, sometimes giving in to temptation is worth it. **CONTENT WARNING: Racy Language, Hot Sex, Lusty Latin Lovers**
