

## The Summer Garden: Chesapeake Shores, Book 9

Falling for Maddening Moira OMalley was the unexpected highlight of Luke OBriens Dublin holiday. So when she pays a surprise visit to Chesapeake Shores, Luke is thrilled... at first. A fling with this wild Irish rose is one thing, but forever? Maybe someday, but not when hes totally focused on establishing a business that will prove his mettle to his overachieving family. Given Lukes reaction, Moira has some soul - searching of her own to do. Scarred by her fathers abandonment, she wonders if Luke, with his playboy past, is truly the family man she longs for. Adding to her dilemma, shes offered an amazing chance at a dream career of her own. Deep down, though, Moira knows home is the real prize, and that love can be every bit as enchanted as a summer garden.
