

## The Me Project

Most women in the midst of careers, marriage, raising children, and caring for parents set their personal goals aside. The Me Project provides women with fun and creative ways to bring back the sense of purpose and vitality that comes with living out the plans and dreams God has planted in their hearts. Kathi Lipp's warm tone and laugh-out-loud humor will motivate women to take daily steps toward bringing purpose back into their lives and give them the confidence they can do it in spite of busy schedules. A woman who reads and applies The Me Project will discover the unique plan God has for her life and her role as a wife, mother, worker, or volunteer. Gather a community of like-minded women who want to make their goals a priority, change her attitudes toward her roles in life, as well as how she approaches her personal goals. This handy guide coaches women to do one simple thing toward achieving their goals each day for three weeks, bringing a sense of vitality and exhilaration back into their lives.
