

This is Your Life

Four days before her wedding, Lizzie Lavender finds a letter her mother wrote to her, a year ago just before she died. Shocked into realising life is passing her by, she runs away, heading for the West Country, where she plans to clear her head and reconsider her options. Fate, however has its own ideas and Lizzie has no idea that a tiny village, two guardian angels and a host of new friends are exactly what she needs. And then there's Tom - who she knows she's met before... As she rediscovers the magic in life, will she at last find the happiness that eludes her?
