

# Thrice-Greatest Hermes, Vol. 1, by G.R.S. Mead,

Studies in Hellenistic Theosophy and Gnosis Being a Transaction of the Extant Sermons and Fragments of the Trismegistic Literature with Prolegomena, Commentaries, and Notes; All three volumes are combined into one book. These volumes might be described as the preparation of materials to serve for the historic, mythic, and mystic consideration of the Origins of Christianity. The serious consideration of the matter contained in these pages will, enable the attentive reader to outline in his mind, however vaguely, some small portion of the environment of infant Christianity, and allow him to move a few steps round the cradle of Christendom.
