

The Billionaires Super Nanny (A BWWM Romance)

Handling kids? Easy. Their rich, sexy dad? Not so easy. Zeya Sparks is a NYC celebrity nanny with her own radio show helping families solve their child-behavior problems. When she gets a request to provide some temporary hands-on help with a rambunctious pair of siblings, the last thing she expects is her intense attraction to their divorced billionaire father. Taylor Stephens is trying to be a good dad to his young son and daughter, but has no idea how to handle them. He quickly falls for the spunky nanny who won't take any of his excuses. Zeya wants him too, but getting involved would be unprofessional -- and bring more uncertainty into the children's lives. While Zeya battles her desires, someone is watching her someone with sinister intent. Soon, she's getting threatening letters and phone calls. Can she and Taylor solve the mystery in time, or will they lose each other forever? ***** This is a standalone full length BWWM romance novel with an HEA.*****
