

## To Catch a Cowgirl

To catch a cowgirl a man should: a) Be able to rope and ride. Jake Harrison will prove he can do both these things as soon as he gets untangled from his rope. b) Be charming, smooth and easy to talk to. Jake is all these things when he doesn't have his boot stuck in his mouth. c) Look devastating in a worn out pair of jeans with his Stetson pulled low. Well, one out of three ain't bad! Martina Lewis would rather kiss a Brahma bull than trust another cowboy with her heart. Jake knows all about giving and taking, especially taking, but he has a lot to learn about love. With a con man after Jake's best horse and an amorous sheriff after Marni, it will take the combined efforts of some pushy friends, an advice-serving waitress and a barrel horse named Chance to show Jake how to catch a cowgirl.
