

To Make You Feel My Love (Paradise Beach Series Book 1)

Meet, Alana Hatfield, a no nonsense kind of girl, working hard as an ICU nurse and helping her aunt and uncle run their beach hotel. She doesn't believe in fairy tales, especially since her parents caused her a lifetime of nightmares. She has a five year plan and won't let anything or anyone stand in her way. That is until she wakes up in one of the hotel rooms next to one very HOT stranger, Logan Montgomery. Sergeant Logan Montgomery has been on medical leave from a motorcycle accident and can't wait to get back to fighting for his country. He likes his life of solitude and adventure, and doesn't want to settle down anytime soon. But a trip to a bike rally with his womanizing friends in Paradise Beach may change that... Logan and Alana's fun, romantic story will take you through the tale of their passion, discovery and lust written to tease the senses with the sizzle and excitement of finding true love. Although, you may see some characters appear in later books, this book is intended to be a stand-alone book. No cliff-hangers. This book is recommended for readers 18 years of age and older. It contains adult language and sexual scenes not intended for young readers.
