

To Protect and To Serve: Policing in an Age of Terrorism

It provides the first comprehensive assessment of the role of the police in homeland security functions, the effectiveness of strategies, the impacts of homeland security threats on police organization, and on the relationships between police and community. The book's authors include some of the best known scholars in policing and in the area of policing terrorism brought together by the National Institute of Justice and the Ministry of Public Security in Israel to provide cutting edge discussion of the challenges presented by terrorism for police in democratic societies. Each chapter includes not only an up to date survey of the literature in the areas covered, but also a discussion of what we need to know to develop better policies and practices.
