

## Touching the Invisible

How can I have Christ's power in my life? Until we know how to recognize God's voice, we are unsure of His will, uncertain in our prayers, and ineffective in our Christian service. Norman Grubb opens the reality of living secretly with God, whose invisible resources become more real than the visible world around us. The answers here have revolutionized the lives of thousands, providing practical help for those who desire a life of power—the heritage of all who are hidden with Christ in God.
